Result Framework Template

(Please fill out the respective fields based on your proposed projects)

Goal *(describes the longer-term, wider development to which the project contributes. Goal statements are usually aspirational, focusing on states of sustainability, livelihood, well-being, etc.)*

-

Strategic Objectives (SOs) *(express the central purpose of the project. They describe the significant benefits that are anticipated by the end of the project. In most cases, the SOs address the immediate causes of the core problem.)*

-
-
-

Intermediate Results (IRs) *(statements express the expected change(s) in behaviors, systems, policies or institutions as a result of project outputs and activities.)*

-
-
-

Initiative Africa

P. O. Box 1123, Addis Ababa, Ethiopia. Tel:251-11-6 622640/41 Fax: 251-11- 6 622642
e-mail: info@initiativeafrica.net website: www.initiativeafrica.net

-
-
-

Outputs *(statements specify the deliverables resulting from project activities. They include products, goods, services, knowledge, skills and attitudes. (e.g. people trained with increased knowledge and skill; quality roads built).*
